SUMMARY

Magna Cum Laude graduate in Hospitality Management with hands-on experience supporting US-based healthcare and insurance members through clear, patient, solutions-first service. Dedicated, fast-learning professional with strong communication, customer service, and organizational skills, backed by virtual assistant experience in data entry and administrative support.

EXPERIENCE

Human Resource Manager — Illuminary Peak

July 2026 - Present

- Manage end-to-end hiring and onboarding for a remote-first, distributed team
- Set up HR policies and processes to support a growing startup
- Serve as the main point of contact for employee relations and engagement

Advisor I, Customer Service Rep. — Concentrix

2024 - Present

- Support a US-based insurance membership account in the healthcare/finance vertical
- Maintained a 100% Quality Assurance score across handled calls
- Consistently passed Average Handle Time (AHT) targets
- Recognized with SJH (Junior High-Representative) honors

Virtual Assistant — Independent Client Engagement

2023

- Provided remote administrative support, handling data entry and back-office tasks
- Maintained high data-accuracy standards across daily entry tasks
- Managed recurring administrative workflows independently

EDUCATION
